NOT A PATENT MEDICINE.

Hyomei, the Guaranteed Catarrh Cure, Prescribed by Physicians.

No one should confound Hyomei with patent medicines that are advertised to cure catarrh. It is as far superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hyomei gives its formula to all reputable physicians.

Is it not foolish to try and cure catarrh by swallowing tablets or liquids? The only natural way to cure this disease and all other diseases of the respiratory organs is to breathe Hyomei.

This treatment has been so successful, curing 99 per cent. of all who have used it, that Hyomei is now sold by Clarke & Co. under an absolute guarantee to refund the money if it does not cure. You run no risk whatever in buying Hyomei. If it does not possess unusual powers to cure, it could not be sold upon this plan.

Better Than Gold.

I was troubled for several years with chronic indigestion and nervous debility," writes R. J. Green, of Lancaster, N. H. "No remedy helped me untill I began using Electric Bitters, which did me more good than all the medicine I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family." Try them. Only 50c. Satisfaction guaranteed by Oberdorfer, the Druggist.

See us about Limestone curbing and let us talk to you about a concrete pavement in front of your property. Stuart & Woodford, opposite L. & N. freight depot.

Mysterious Circumstances.

One was pale and sallow and the other fresh and rosy. She who is blushing with health uses Dr. King's New Life Pills to maintain it. By gently arousing the lazy organs they compel good digestion and head off constipation. Try them. Only 25c, at Oberdorfer's, the Druggist.

The Big Circus.

In calling attention to the large additions made to its united menageries, offering such special object instruction by means of nature's huge, ferocious and varied living lessons, at an enormous outlay and cost of transportation, the management of the Great Adam Forepaugh and Sells Brothers' great aggregation urges the public, possibly impelled by past experience with some ungrateful unscrupulous shows, not to pass them unobservedly and hurriedly by, that they may possibly secure and sit idly upon a seat in the hippodrome pavilion at least an hour before the circus performance begins. "Inasmuch," adds the management, "as we are to appear before you at Paris on Thursday, September 22, the policy pursued by some other managers—and of which some of you may have been made victims—compels us to criticize their most unfair and mean methods by contrast, in assuring you that every purchaser of a fifty-cent ticket to our exhibition will be provided with just as eligible a seat, from which he can just as unobstructedly see and enjoy the whole performance, as any amount of money could possibly secure. His fifty cents with us covers everything that seventy five cents or a dollar could, so far as absolute impartiality of location is involved. We do not reserve the sides of our canvas to the extent of deliberately forcing people either to pay an additional fifty cents, or to the far ends of the arena. Our reserved seats occupy less than three-tenths of our seating capacity and are located on one side of the canvas only. A large portion of that side and the whole of the other side is always open to all fifty-cent comers. If you have ever patronized us, you know this to be a fact, and if you have not you will find it so. Therefore, don't cheat yourselves and your little ones out of the profit and pleasures of inspecting the rarest wild beast exhibition that has ever visited you and for which ample time is allowed, simply because the grossly avaricious and disconcerting treatment you may have elsewhere experienced has made you precipitately apprehensive. TAKE YOUR TIME. We will give you a seat, and a good one, too, afterwards. Our seating capacity is so enormous, and has to be, that it is very rarely tested to its full capacity."

THEATRICAL NEWS.

SURPASSES EVERYTHING. "A Chinese Honeymoon" surpasses everything of its kind ever produced. In London it is conservatively estimated that more than one million theatre goers have enjoyed the music and fun at that play, and at the Casino more than half a million New Yorkers have paid to see the performance since last May. It's the daintiest, brightest and most amusing musical comedy that has ever visited here.

Nearly Forfeits His Life.

A runaway almost ended fatally, started a horrible ulcer on the leg of J. B. Orner, Franklin Grove, Ill. For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for Burns, Bruises, Skin Eruptions and piles. 25c at Oberdorfer's Drug Store.

Fine Bourbon County

STOCK FARM FOR SALE.

As Administrator of G. G. White, deceased, and agent for his heirs, I will, at 11:30 o'clock a. m., on

Monday, September 5th, 1904, offer at public sale, in front of the Court-House, in Paris, Ky., the fine Bourbon County farm known as the Gilt Edge Stock Farm, the property of the late G. G. White, situated on the Paris & North Middletown Turnpike, near the City limits of Paris, and containing 547 1/2 acres of land.

This is a No. 1 Bourbon County farm. It is all under cultivation except about 150 acres of virgin soil, which is heavily set in bluegrass, making splendid grazing and is unexcelled for tobacco. Plenty of stock water in dryest season. Has benefit of creek boundary, but no creek included in survey. No part of farm overflows. Creek line furnishes unfailing stock water and saves fencing.

The farm residence is one of the best in Bourbon County, being a large 2 1/2 story brick house, colonial in style, with front veranda supported by massive columns which rise to the eaves of the house. Rooms and halls spacious and well lighted. Large, light and dry. Interior finish largely in hardwood.

Two first class cisterns at residence, and all necessary outhouses. Splendid stock barn with large number of box stalls, and good training track. Paddocks with good stallion stables adjoining barn, and an inexhaustible artesian well at the barn door. Everything in fact for a first-class stock farm.

ALSO, A GOOD TWO-STORY FRAME RESIDENCE

The Paris Distillery Company has for years past paid \$300.00 per year for privilege of pumping water from Stoner Creek, and \$300.00 per year for depositing offal from cattle pens in the natural basin near the Distillery. The purchaser can probably continue these privileges—either or both—indefinitely, adding \$600.00 to annual income from the farm.

This farm is well suited for the large handling of cattle because of proximity of distillery.

I will first offer the farm in two parts and then as a whole, reserving the right to accept or reject any bid.

Division No. 1 contains 271.93 acres, including the brick residence, stock barn, track, and all adjacent improvements, and fronts on the North Middle-town pike and extends back to Stoner Creek, and is bounded on one side by G. W. Wyatt, and on the other side by Division No. 2. This tract contains the natural basins in which the distillery deposits offal from cattle pens, paying \$300.00 annually for the privilege.

Division No. 2 contains 276.70 acres, bounded by the Distillery property on the North, by the Maysville railroad and Stoner Creek on the West, by Stoner Creek on the South, and by Division No. 1 and Stoner Creek on the East. The frame residence is on this tract, and the Distillery Company pays \$300.00 per annum for the privilege of pumping water over this tract from Stoner Creek—an income of \$300 per year without injury to the land.

The surveyor's field notes and plat of entire farm and of the above two Divisions may be seen at the Citizens Bank in Paris, Ky.

In event of the farm selling in the above two divisions the right to use the passway from Division No. 2 over the land of Mrs. Frank Fithian out to the Maysville pike, opposite the G. G. White Distillery, in East Paris, will be included in conveyance of Division No. 2.

Purchaser has privilege of seeding the coming Fall, and full possession given March 1, 1905.

TERMS.—One third cash on March 1, 1905, when deed is made; one-third March 1, 1906; one-third March 1, 1907—deferred payments to bear 6 per cent. interest from March 1, 1905.

The purchaser will not be required to give security for the deferred payments but will be required to give security for the first payment due March 1, 1905, and his notes without surety for the deferred payments, to secure which a lien will be reserved in the deed.

Purchaser may pay more than one-third of the purchase money if preferred.

For further information call on or address the undersigned in Paris, Ky.

What MITCHELL Says

Lots of good people have quit making Ice Cream. They just send to me and get better than they can make.

I have been furnishing quite a number of people with Orange Ice for receptions. They have all been pleased.

Some buy my Peach Ice Cream, and I claim it is the best ever sold in Paris.

All the Soda drinks I make are strictly fine and you will do well to call at my store when you are dry.

I am the whole thing when it comes to fine confections. The girls all say so.

Yours truly,
C. B. MITCHELL.
